## FALL

### Fall 2023

#### **WELCOME**

Summer is winding down. Kids are back to school. I am certainly hoping for some Indian Summer weather prior to the cold taking a hold of us again.

I hope you have had an opportunity to gather with friends and family to enjoy this short span of no snow. Seems like the winter always lasts so much longer than the warmer months.

#### **NEW ARRIVALS**

May 18th brought us a new friend, Mary K. She enjoys gathering with some of the other ladies to chat in the lobby each day.

On August 9, we welcomed Marc C. to our community. He is friendly and easy to talk to. What a great addition to our family.

#### **COMMUNITY**

September 10-16 is Assisted Living Week. It's a time to appreciate the tenants and staff that make our assisted living facility an asset to families and the community.

## **ACTIVITIES**

In July we enjoyed a visit from a local female babershop quartet! They have been singing together for over 40 years.

We continue to make our way through The Chosen series on Fridays @ 10:00am.

Don't forget about our Resident Council meeting on Sept. 27.

**IN AN ATTEMPT TO MAKE OUR COMMUNITY A LITTLE MORE LIKE HOME, THERE IS A NEW RECREATIONAL AREA WITHIN THE DINING ROOM. PLEASE TAKE TIME TO CHECK OUT THE PUZZLES, ART SUPPLIES, AND VARIOUS READING MEDIA.**

**SUGGESTIONS ARE ALWAYS WELCOME.**

## **SYMPATHIES**

We are sad to report the passing of our friend, and former Frazee and Vergas tenant, DuWayne "Duke" Turnbull on Aug. 16, 2023. Our thoughts and prayers are with his family.
