Fall 2023

VAL

WELCOME

Summer is winding down. Kids are back to school. I am certainly hoping for some Indian Summer weather prior to the cold taking a hold of us again.

I hope you have had an opportunity to gather with friends and family to enjoy this short span of no snow. Seems like the winter always lasts so much longer than the warmer months.

NEW ARRIVALS

On August 7, we welcomed Betty G to our Vergas community. It hasn't taken long for her to make new friends and we are certainly enjoying her company.

We have a couple of new friends moving in soon, we'll save that for the next newsletter though. I need something to write about!

COMMUNITY

September 10-16 is Assisted Living Week. It's a time to appreciate the tenants and staff that make our assisted living facility an asset to families and the community.

ACTIVITIES

Damien comes once a month to share his music with us.

Don't forget about our Resident Council meeting on Sept. 26.

SYMPATHIES

We are sad to report the passing of our friend, and former Vergas tenant, DuWayne "Duke" Turnbull on Aug. 16, 2023. Our thoughts and prayers are with his family.

3RD QUARTER BIRTHDAYS

July 4- Lois W.
July 12- Joyce T.
